Denise

Photographs by Michel Moreau

Denise agreed to pose for us only if we promised the session would end in time to give her a few more hours lazing on the beach.

'I am your original beach bum,' she told us.

'If it was up to me, I'd spend the rest of my life just lying on the beach soaking up the sun, with the occasional languorous fuck with a big muscular hunk thrown in for good measure.

'I work my arse off as a croupier in London for six months during the winter, working all hours I can stay awake, then I split for sunnier climes – anywhere, it doesn't have to be fashionable like St Trop or wherever the chic set hang out. If it has a beach and hot sun, that's where I'm headed.

'It does help, of course, if there are some dishy fucks around – but that's definitely an activity for after sunset.' ♣

Emily

Photographs by Fanny

Normally, Fanny approaches potential model to find out if they would like to model for Club *but with Emily, it was the other way round. Sh had recognised Fanny from her photo-set c herself in a back issue of* Club *(Vol 9 No 9), an wanted to know if our ace lenslady could im mortalise her for posterity. Fanny saw he potential immediately, and without hesitatio took her from the club they were in for a sessio there and then. The resulting set was a gre success, as you can see, and encouragemen we hope, for other aspiring ladies who woul care to adorn these pages.* ♣
